

WOODLYNDE'S LUNCH PROGRAM BY COUSINS MIKE

About Us & Our Partnership With Woodlynde

We so are excited to join and make some really great meals for the Woodlynde Community!

We are a small family-owned business, operated by two cousins and lifelong chefs with over 20 years of experience working with the diverse culinary needs of both kids and adults. We create food that is customized to the needs of those who will be enjoying it and focus on making food that is fresh and made from real ingredients.

At Woodlynde we will be offering a variety of hot and cold lunch options, fresh fruits & vegetables and a super seasonal salad bar each day. We mindfully create our lunch selections from ingredients that are in season, what is freshest and what can be sourced locally. All of the selections that we craft are nut free, fun, nutritious and kid friendly.

There will be gluten free, vegetarian and dairy free options available each day.

We pride ourselves on making fresh meals, meaning we use real ingredients (not pre-made ultra-processed food) and prioritize organic ingredients whenever possible.

All the meals for the students and staff at Woodlynde will be freshly made by us in the school kitchen each day.

One of our core missions & beliefs as a business, and as individuals, is to make sure that we give back to the communities that we serve. Nutrition is a right that should be available to all and we support making this a reality.
